

Parent Support Group

You are very welcome to attend our parent support group. There will be 2 members of the team on hand to welcome you and offer advice and guidance on any worries you may have around your child. You can meet other parents facing similar challenges in a supportive environment, without judgement.

Next date: **Tuesday 24th March 2020**

We run a daytime session (10.30am- midday) and an evening session (6-7.30pm). It is held in "the hut" at Les Voies but please meet in reception. Tea and coffee will be provided too.

Please text 07839 740063 or email kelly.procter@lesvoies.sch.gg to confirm you are coming.

Please find our Facebook group (**Parent Group Guernsey**) for updates and further support.
